Marlborough Primary Academy School – Reading Masters Long Term Planning
2022 – 2023
YEAR A

Subject – READING MASTERS LEARNING SEQUENCE
• EHCP & SEND Support refer to IEPs for the individual children. • Minimum assessment for learning strategies to be used during every lesson: target questioning, peer talk, modelling, mini-plenaries, self-assessment, referral to success criteria. • Long term memory development strategies to be used in every lesson through assessing prior knowledge at beginning of the unit and in the lesson.

Communication and Language (Listening, Attention and Understanding)	Communication and Language (Speaking)	Literacy (Comprehension)	Literacy (Word Reading)	Personal, Social and Emotional Development (Managing Self)
• Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. • Make comments about what they have heard and ask questions to clarify their understanding. • Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.	• Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. • Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. • Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.	• . Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate – where appropriate – key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play	• Say a sound for each letter in the alphabet and at least 10 digraphs • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	• Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.

Year Group	Rationale for Unit of Learning	Key Content from National Curriculum	Skills/Processes	Essential Knowledge	Vocabulary
Willows Class Autumn 1	Goldilocks and the Three Bears	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines. Building Blocks – Explain views and give evidence using the text. Points of View – Consider author's choices, summarise and predict.	• Sequencing the story • Developing awareness of the wants of a character • Check that text makes sense to them, self-correcting any inaccurate reading. • Answer questions and make some inferences about what is being said and done. • Explain what has happened so far in what they have read. • With support, be able to talk about what might happen next, based on what they have read.	title author porridge just right
Willows Class Autumn 1	Funnybones - Allan Ahlberg	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines. Building Blocks – Explain views and give evidence using the text. • Points of View – Consider author's choices, summarise and predict.	• Sequencing the story • Developing awareness of the wants of a character • Check that text makes sense to them, self-correcting any inaccurate reading. • Answer questions and make some inferences about what is being said and done. • Explain what has happened so far in what they have read. • With support, be able to talk about what might happen next, based on what they have read.	title author beginning middle end cellar skull skeleton connected

		Y1 Reading – comprehension			
Willows Class Autumn 1	Funnybones Pet Shop- Allan Ahlberg	**Y1 Reading – comprehension** • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. YEAR B (2023-2024)

Subject – READING MASTERS LEARNING SEQUENCE • EHCP & SEND Support refer to IEPs for the individual children. • Minimum assessment for learning strategies to be used during every lesson: target questioning, peer talk, modelling, mini-plenaries, self-assessment, referral to success criteria.

Communication and Language (Listening, Attention and Understanding)	Communication and Language (Speaking)	Literacy (Comprehension)	Literacy (Word Reading)	Personal, Social and Emotional Development (Managing Self)
• Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. • Make comments about what they have heard and ask questions to clarify their understanding. • Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.	• Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. • Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. • Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.	• . Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate – where appropriate – key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play	• Say a sound for each letter in the alphabet and at least 10 digraphs • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	• Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.

Year Group	Rationale for Unit of Learning	Key Content from National Curriculum	Skills/Processes	Essential Knowledge	Vocabulary
Willows Class Summer 1	The Tiger Who Came to Tea - Judith Kerr	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines. Building Blocks – Explain views and give evidence using the text. YEAR C (2024-2025)

Subject – READING MASTERS LEARNING SEQUENCE

Communication and Language (Listening, Attention and Understanding)	Communication and Language (Speaking)	Literacy (Comprehension)	Literacy (Word Reading)	Personal, Social and Emotional Development (Managing Self)
• Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. • Make comments about what they have heard and ask questions to clarify their understanding. • Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.	• Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. • Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. • Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.	• . Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate – where appropriate – key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play	• Say a sound for each letter in the alphabet and at least 10 digraphs • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	• Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.

Year Group	Rationale for Unit of Learning	Key Content from National Curriculum	Skills/Processes	Essential Knowledge	Vocabulary
Willows Class Summer 1	The Tiger Who Came to Tea - Judith Kerr	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines. Building Blocks – Explain views and give evidence using the text. Points of View – Consider author's choices, summarise and predict.	• Sequencing the story • Developing awareness of the wants of a character • Check that text makes sense to them, self-correcting any inaccurate reading. • Answer questions and make some inferences about what is being said and done. • Explain what has happened so far in what they have read. • With support, be able to talk about what might happen next, based on what they have read.	title author predict grocer buns supper
Willows Class Summer 1	Lion Inside	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them. YEAR D (2025-2026)

Subject – READING MASTERS LEARNING SEQUENCE • EHCP & SEND Support refer to IEPs for the individual children. • Minimum assessment for learning strategies to be used during every lesson: target questioning, peer talk, modelling, mini-plenaries, self-assessment, referral to success criteria. • Long term memory development strategies to be used in every lesson through assessing prior knowledge at beginning of the unit and in the lesson.

Communication and Language (Listening, Attention and Understanding	Communication and Language (Speaking)	Literacy (Comprehension)	Literacy (Word Reading)	Personal, Social and Emotional Development (Managing Self)
• Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. • Make comments about what they have heard and ask questions to clarify their understanding. • Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.	• Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. • Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. • Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.	• . Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate – where appropriate – key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play	• Say a sound for each letter in the alphabet and at least 10 digraphs • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	• Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.

Year Group	Rationale for Unit of Learning	Key Content from National Curriculum	Skills/Processes	Essential Knowledge	Vocabulary
Willows Class Summer 1	The Tiger Who Came to Tea - Judith Kerr	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines. Building Blocks – Explain views and give evidence using the text. Points of View – Consider author's choices, summarise and predict.	• Sequencing the story • Developing awareness of the wants of a character • Check that text makes sense to them, self-correcting any inaccurate reading. • Answer questions and make some inferences about what is being said and done. • Explain what has happened so far in what they have read. • With support, be able to talk about what might happen next, based on what they have read.	title author predict grocer buns supper
Willows Class Summer 1	Lion Inside	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them. YEAR E (2026-2027)

Subject – READING MASTERS LEARNING SEQUENCE

• EHCP & SEND Support refer to IEPs for the individual children.
• Minimum assessment for learning strategies to be used during every lesson: target questioning, peer talk, modelling, mini-plenaries, self-assessment, referral to success criteria.
• Long term memory development strategies to be used in every lesson through assessing prior knowledge at beginning of the unit and in the lesson.

Communication and Language (Listening, Attention and Understanding)	Communication and Language (Speaking)	Literacy (Comprehension)	Literacy (Word Reading)	Personal, Social and Emotional Development (Managing Self)
• Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. • Make comments about what they have heard and ask questions to clarify their understanding. • Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.	• Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. • Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. • Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.	• . Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate – where appropriate – key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play	• Say a sound for each letter in the alphabet and at least 10 digraphs • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.	• Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.

Year Group	Rationale for Unit of Learning	Key Content from National Curriculum	Skills/Processes	Essential Knowledge	Vocabulary
Willows Class Summer 1	The Tiger Who Came to Tea - Judith Kerr	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines. Building Blocks – Explain views and give evidence using the text. Points of View – Consider author's choices, summarise and predict.	• Sequencing the story • Developing awareness of the wants of a character • Check that text makes sense to them, self-correcting any inaccurate reading. • Answer questions and make some inferences about what is being said and done. • Explain what has happened so far in what they have read. • With support, be able to talk about what might happen next, based on what they have read.	title author predict grocer buns supper
Willows Class Summer 1	Lion Inside	Y1 Reading – comprehension • Listen to and discuss a wide range of stories at a level beyond that at which they can read independently • Recognise and join in with predictable phrases • Discussing word meanings, linking new meanings to those already known • Drawing on what they already know or on background information and vocabulary provided by the teacher • Discussing the significance of the title and events. • Making inferences on the basis of what is being said and done • Participate in discussion about what is read to them, taking turns and listening to what others say. • Explain clearly their understanding of what is read to them.	Text and Talk – Understand the text and explore new vocabulary. Read and talk through text considering the audience and purpose. Word Detectives –Information retrieval using skimming and scanning skills. Thinking Caps – Inference skills – learning to read between the lines.
