

I hoped you all had a relaxing break and enjoyed the sunshine. It is the final term of this school year and we hope the sun continues to shine, so the children can enjoy many outdoor activities. The children have been working very hard in English and Maths sessions every morning, it has been great to see their progress over the year. The children have been busy planting seeds and looking after their vegetable plants in the outside area. Let's hope we have some vegetables before the end of term. This term our topic is called Beside the Seaside - we will be learning about sun and water safety and how the seaside has changed over many years. We will be reading the Lighthouse Keeper's Lunch and making our own lighthouses.

ClassDojo

Thank you for viewing the photographs and posting comments on Class Dojo every day. The children experience a range of outdoor activities every week and have worked well as a team. Please remember to post comments on the Class Dojo as it is great to have parent feedback on the children's learning.

School Uniform

The children will continue to have PE on Mondays and Outdoor Learning on Wednesdays. They will need to come in their PE kit or Outdoor Clothes on these days. On the other days, children will need to come in their school uniform.

Resources for Little Oaks

This term, we would like to have a weekly cooking session and continue with our craft activities. We would like to ask for a contribution of £5.00 per child - this will be for the half term and will include snacks for Film Friday. This can also be paid as £1 per week for 5 weeks.

Term Dates: End of the Summer Term: Friday 23rd July 2021

Non Pupil Day - Friday 9th July 2021

Many Thanks for your support - Mrs Hackworthy , Miss Barrows and Mrs Clouter
