

This week we are reading and learning with

Goldilocks and the 3 Bears

These are some of the new words we found in the story. Can you help me learn these new word by suing it while we talk?

Word 1: **lumpy**

Word 2: **bouncy**

Word 3: **rigid**

Word 4: **cottage**

Word 5: **growl- growling- growled**

Word 6: **starving**

Word 7: **investigate**

Word 8: **exhausted**

Remember, I need to hear them at least 7 times before I can use them.

When I talk to you, and you look at me I know you are listening

Let me tell you the story. Perhaps I could make you a picture of the characters!
